June 2018

Dear Parents,

Firstly to thank you for your patience and good will during the building upheaval. It is all running to plan and new classrooms will be ready for equipped by the time pupils' return to school on 6th September.

Design & Technology – Pupils have benefited greatly from projects that have been on-going throughout the year. We are continuing our partnerships with ICSAT in 2018-2019 and the planning is underway.

After School Club – If you are not on the list and need childcare in September, please inform the office.

Trips & Visits – All Key Stage 2 have enjoyed a visit to the Birds of Prey Centre (in scorching weather). They are describing, writing poetry and basing their science on the visits.

TELL – Emotional Health Matters - Our leaflet has been useful in school for a number a years. We regularly talk with children in class and assemblies (see over).

This is Beecroft's TELL leaflet

Talk to us

Explain your worries

Let us know your feelings

Listen and we will help

We talk about any worries – not just ones that may be 'serious' as it is important that children know that we are here to care and support. We want our children to be happy, secure and emotionally healthy and the message is a regular theme in assemblies and class. Encourage your child to TELL and you tell us too if there are worries and concerns - however small. Ask your child if there is anything to tell. Ask your child to tell you about anything that happens in school.

Transition between classes will be happening week beginning 16th July when children will meet their new teacher before the summer. It will help with those insecurities that may happen when a change of class is due.
